YOUNG POPLE OF THE CHURCH.

Assemble on Their Organization. WASHINGTON, May 20. - Among the inter esting reports submitted to the General Assembly during its sersion to day was that of the special committee on Young People's societies, consisting of Revs. F. C. Monfort and Robert J. Service, and Elder John H. Holliday, appointed in accordance with the overture from the Presbytery of Zanesville. people's societies in the Presbyterian Church.

people's societies in the Presbyterian Church, which shall sector uniformity of organization in harn only with the church polity.

The committee said it did not believe that uniformity of organization in harmony with the church polity was to be attained by the adoption of one constitution by all local young people's societies. Such societies, like 'abbath scheel', are a part of the church machinery, and their conduct should be left to the church.

"We have no denominational model to which all our Sunday should machine and the church.

church.

"We have no denominational model to which all our Sunday schools must conform. The actoril sunder the care of the session, and may be adapted in constitution and operation to the needs of the field. So it operation to the needs of the need. So should be with the young people's society.
